DAVANGERE CITY

Date 9th March, 1954

D O No HC 206/534

Dear Sir,

28/3/54
Sri Durga Deity is the principle deity of this town worshipped by all the citizens of Davangere irrespective of Caste and Creed. A principal feast is held in this City every 2 years to propitiate the Deity. This has been observed on a mass scale by collecting more than several thousands of Rupees from the town-people. This is a special feast for Adikarnatakas and our sweepers and Scavengers.

Since more than 15 years a special advance of Rs 20/- has been given by the Municipal Council to the Municipal Scavengers and sweepers, to be recovered from them in easy instalments of Rs 5/- per month. Some years ago when such grant was ~~derived~~ to them after Government's disapproval, there was a strike and the strike was called off early when the advance was granted.

The scavengers and sweepers are now in a very threatening mood to observe strike if such a request is not granted. The Municipal Council has passed a resolution unanimously to grant such a request provisional to Government's approval. The amount has to be paid to them before 14th instant. I therefore request the Government under these grave and complicated circumstances, ~~to~~ immediately ~~be~~ grant as a special and emergency case to avoid the impending strike and unpleasantness.

Yours Sincerely,

Asdeepa G

DAVANGERE CITY

Date 9th March 1954

My dear Sir

I beg to invite kind reference to my letter No H C 206/53-54, dated the 5th instant wherein the special sanction of Government was solicited to grant an advance of Rs30 to all the sweepers, scavengers and other menials of the City Municipality of Davangere recoverable in six monthly instalments from their pay in view of the forthcoming Durgamma Jatra in this City which comes off on the 15th and continues in this City for a week. Durgamma Jatra is an important festival observed in Davangere once in two years attracting more than 20,000 people and will be observed by all the citizens of Davangere from time immemorial. This is an ancient festival in which the Adikarnatakas of the place feature greatly and almost all our sweepers and scavengers and other menial staff belong to Adikarnataka and other Depressed community of the place. Since a very long time the Municipal Council of Davangere grants them an advance of Rs30/- The Adikarnatakas of the place will spend on this important festive occasion on their feasts and clothes and other necessities of life. This is a practice in vogue during several years. Up till now on the strength of the Municipal Council Resolution these advances were being made to the sweepers and scavengers once in two years. The Auditors and the Assistant Controller when they were auditing the accounts of the Municipality have objected to the giving of such advances without the special and specific sanction of Government as advances are generally inadmissible. Some of the Municipal Councillors have approached me and intimated to me that if the advance is not given to the sweepers and scavengers this time, there is every likelihood of these menials striking their work. The Municipality will have to face a difficult situation in the event of their striking work. I have however informed them that such disciplinary methods will carry them no further than subjecting themselves to fresh difficulties. However I feel that in view of the great importance attached to this festival by the A K sweepers and scavengers and since such advances were being given in the past on the strength of the Municipal Council Resolution without obtaining specific sanction of Government, I may be able to persuade you very kindly to

2/8
9/3

to use your good offices with the Government to obtain and communicate to me their special sanction in view of the very special circumstances of the case and the existence of a long time mamool. Some of the Municipal Councillors are pressing me to approach you personally by going to Bangalore and obtain your sanction. Since I have to get through a large amount of work in connection with the passing of the Municipal Budget, the answering of objections to Octroi and other levies and passing of bye-laws etc., I have not been able to concede to their request. A copy of the Municipal Council resolution was sent to you with this office letter No H C, 206 of the 5th instant. However for ready reference I enclose another copy with an earnest request that you will very kindly see your way to sanction the above proposal almost immediately since the advance will have to be paid before the 14th instant. If the Government are agreeable to the proposal and if it will take a few days to get through the formalities, I may very kindly be sent an express letter authorising me to pay the advance in anticipation of sanction of Government.

With kind regards,

Yours sincerely,
